

WEST SWINDON PARISH COUNCIL

New Noticeboard Proposal

1. Background

1.1 From 2017, the Parish Council has had noticeboards across West Swindon. They are currently sited as follows:

- Shaw Village Centre
- Freshbrook Village Centre
- Toothill Flint Hill
- Westlea by Westlea Primary School
- Central - subway by the Police point by the Link Centre
- West Swindon Parish Office

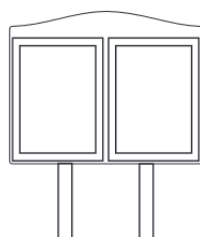

2. Proposal

2.1 New Site Proposal:

The Parish Council has been asked to consider adding a noticeboard to Peatmoor lake near the beach area. There are no noticeboards in Peatmoor or Sparcells. Costs would be in the region of £815.00 for a similar design to those already in West Swindon. The colour way is dark green with West Swindon Parish Council in white.

We offer many variations on our bespoke made "classic" range in terms of board sizes, shapes, poster cases

Let our design team know your basic requirements and then they'll be able to suggest the most cost effective board combinations via our free quote and design service

1100mm x 850mm aluminium board - curved or flat top
 2 x A2 poster cases
 2 x 76mm diameter aluminium posts
 £815.00 + vat

3. Financial Implications:

3.1 The Parish Council has typically allowed a budget of £750 for the category of *Noticeboards* which has been unspent in the last three years. It was removed from the

Monday 17 July 2023

budget for 2023-24. It would be reasonable to overspend on this budget heading. There is a budget of £500 for *Street Furniture*. This could offset the overspend. It is noted that the area of Grange Park is without a noticeboard. The nearest would be the Central board at the West Swindon District Centre.

4. Recommendations:

- 4.1 Councillors note the information in the report and consider the approval of purchase of a noticeboard for Peatmoor.

Paula Harrison

Parish Manager
