
Report To: Full Council **Date:** 18 September 2023

Contact Officer: Paula Harrison

Subject: Update – Community Growing Working Party

1. Play Working Party

- 1.1 The Planning, Leisure & Amenities Committee on Monday 4 September agreed that the Community Growing Working Party should consider the further progression of community growing options.
- 1.2 The Working Party met on Tuesday 12 September to review progress to date. Attendees were Cllr Grother, Cllr Llewellyn, Cllr G Philpot, Cllr T Philpot and Cllr Sydney Smith. Cllr Ali attended virtually. It was noted that sites for raised planters and ground level planting in Peatmoor and Freshbrook had not yet been able to establish a water supply which was potentially an issue to be resolved.
- 1.3

It was agreed that

- a) A flyer be created and distributed around nearby households to test out levels of local community interest
- b) Backland sites across the Parish Council be considered for similar activity
